Dear Friends and Family,

It has been an incredible year! Becky and I visited most of our bases during the year, encouraging our workers as well as sharing on missions and family life.

Becky also led a team from Brazil to Japan for a 50 day outreach to the tsunami and earthquake devastated regions of the country. Both the Japanese and our team were deeply touched. Becky can't share her experiences without crying.

Our whole family was present for a big family reunion in W. Va. to celebrate my dad's 90th birthday, mom's 80th birthday and our 35th wedding anniversary! We also spent a week in Orlando with our immediate family before returning to Brazil.

Debbie is getting married on May 19 so we are now making plans to arrive in the US a couple of weeks before the wedding so Becky can help with all the preparations. We would love to see as many of you as possible during our visit. We will take advantage of the time to participate in a board meeting and also share the vision in as many places as possible.

Becky and I feel so privileged to have you as part of our team participating in what God is doing here in the Amazon. Thank you again for your love and support. Please let us know how we can pray for you! It is a pleasure for us to be involved in your lives also! May God pour out His richest blessings upon you in this coming year!

God bless you!

Jeff and Becky

Paul

Paul continues to reach out to the youth of Fortaleza and also serves in the media department. Training materials are being produced for equipping our leaders in the remote areas of the Amazon. And Paul was part of the team to Japan. He remains single and very eligible!

Did you know that church services from Fortaleza and Santarem are now going out live around the world over the internet?

Ben & Debbie

Work and now has a job in Tulsa. She is engaged to Ben Block with a wedding date scheduled for May 19th of 2012. Ben will be taking a pastoral role in a church in Flint, MI. The wedding will be held in the church there and Debbie will be looking for a job in the region. She is also needing a different car as the 1995 Pontiac GrandAm that served all four of our kids through college is not so grand anymore!
